PRESIDENT'S REPORT JUNE 2011

Paul Minch

I hope this mailing finds all of you with good health and enjoying the early summer. So many great things have happened this year with the renovation being completed on Glenwood Hall. From a great New Year's celebration, to the Grand Opening and Derby Day, the hall is in very good hands and being used frequently as we had hoped it would be. My thanks to everyone, especially the volunteers who have made it happen. Great Job!

As you are aware, we are seeking candidates for the upcoming election. Please consider whether you have the time and energy to make a difference in the community by serving on the board of directors. Details of dates and requirements are contained herein. I also wish to thank you for the prompt payment of this year's assessment fee. By seizing every opportunity to save the association money, we are able to keep the fee at the same rate as last year even though we lost a few members. My best wishes go out to you. Enjoy your early summer!

Paul Minch

GLENWOOD HALL COMMUNITY CENTER

Sue Errgang

The grand opening of the Glenwood Hall Community Center was held on April 16th, even though the weather did not cooperate the cold and rain did not hamper the great time that was had by all.

The PPROA would like to thank Shakey for all of his hard work cooking the barbeque and also a special thank you to Eric and Worm for cooking the hot dogs and ladies as always what a terrific job on all of the deserts, it truly was a community pulling together so the grand opening was a total success.

Folks even though the weather caused us to cancel some of the events we had planned in true Perry Park fashion we carried on and I would like to share with you the big winners of the day starting with the kids fishing tournament. There was stiff competition in the kids fishing tournament however Bob and Terry Beil's granddaughter Mallory showed all that girls do rule and won 1st place. Not only did she catch most fish for the day I was told she also caught the biggest fish of the day, so congratulations goes out to Mallory. All of the kids received a participation tee shirt and Mallory won a new fishing pole for reeling in the win.

The Westminster of Perry Park was a crowd favorite with 12 dogs competing, it was a tough call for our judges Sonny Yeager and Bob Heuser but in true champion style Evan Thompson's Ellie May out shined the rest and placed 1st in the competition, Cheyenne, Erick and Karen Lozier's dog came in 2nd leaving the pack shaking their heads and wagging their tails.

Fourteen teams were signed up for the Corn Hole Tournament with all the tuff completion out there Ron Husker and Bob Heuser had their hands full bringing home the victory over the 5 and 6 year olds.

We all want to thank Mr. Bill Watson for entertaining us with his story telling, the crowd loved it, Bill well done.

If you would be interested in renting the hall please contact me, Sue Errgang, at 502-484-0793 or email to perrypark6@aol.com

THIS AND THAT

Sue Errgang

Hi, my name is Royce and I'm a dog. Now in case you didn't know Gran Mefford is my dad. Your probably thinking right about now what in the world is this all about . Lord knows Peyton Place, I mean Perry Park has a lot of issues going on and some of them just might be important but listen people this is important too. Now just calm down cause a great injustice has been done people and I think once ya'll get the story straight from the source all the snickering'' behind my dad's back will stop and the sun will shine again on the Mefford house. So just sit back cause I'm gonna tell you what really happened. Day 1. I was lying around one night and I hear my dad talking to my mom about some dog show, and the more dad gets to talkin the more excited he gets. I'm thinking Royce ol boy just keep on lying here, mind your own business and this to shall pass. Well the next thing I know dad's in the golf cart and I'm running along side like we're training for the Olympics or something all the while dads saying like" you can do it Royce" and I'm thinking do what , well I found out what . Day 2. It's around 6am and I'm dreaming about that cute little hottie that lives down the street, her name is Abby and her mom is Jean Blick, anyhow here comes dad blowing a whistle waking me up saying "training is starting for the dog show". I look around and some darn fool has hung hoops from our trees and all sorts of strange looking things in the yard , well turns out the darn fool is dad. Day 3. Ya'll know I love my dad but listen people , after chasing that golf cart for 3 miles and trying to figure out what "jump through this hoop Royce" means and watching dad sitting and fetching for hours I was exhausted. Day 4 . The Grand Opening. As any good trainer will tell you it's important to rest before any competition , well lets just get clear on this people me and my dad did not rest ok. John Hill is going to have to add a inch or two of more asphalt on Inverness because I ran at least that much off of it, anyhow it's show time, it's my time to shine, it's my 15 seconds of fame, victory is mine, well it was before I laid eyes on Levy anyway and that darn Ellie May showed up and by the way, OK I get it now. It was suppose to be me going through the hoops and sitting and fetching and not my dad. Who cares if Ellie May won that stupid bucket of Dollar Store treats, your cheap Sue Errgang I just want you to know that, all that hard work and the prize was a stupid bucket of Dollar Store treats. I'm a winner and so is my dad, Ellie May was a ringer and so it goes .

SOFTBALL

Ron Huser

The season finally got off to roaring start on Thursday 6/9/11. We simply chose up sides and had enough for two teams. I am sure there are a number of aches and pains but I think everyone including the many fans had a good time. The only thing we have to work on is getting Judy to concentrate a little more on the game instead of the dogs in the carts down the right field line. I hope her shin is feeling better.

We plan on playing every Thursday at 7 p.m. If anyone at any time wants to use the equipment to practice just call Ron Huser at 484-3857 or 317-691-0252. This softball is a self supporting endeavor. There are costs involved in field up keep. We ask \$1.00 per

player and fan who show up. Of course any additional donation will be gladly accepted. PPROA and PPLA are not involved in any way financially. We will also be getting the volley ball court in shape.

Thanks to all the volunteers who helped with the ball field. This includes Woody Woodall, Greg Perkins, Greg Thomes, Bob Heuser and the Lozier family.

We are considering selling grilled hot dogs and chips at the games if everyone thinks this is a good idea-another way to support softball.

BIG BASS LAKE BOAT RAMP

Ron Huser

Access to this ramp is now on Waterford Rd. about 500 ft. from Springport Ferry Rd. Culvert pipe and gravel have been installed to get over the ditch. Please do not access the lake from Glenwood Hall parking lot. We are in the process of landscaping this area and soon there will be white PVC pipe here to prevent entry. Please respect this effort to beautify your community center. We have Wayne Williams to thank for his work on the culvert pipe and gravel. Wayne also took it upon himself to fill two large holes that developed on both sides of the west side of the spillway from Lake Holiday to the river. Thanks again Wayne.

SPECIAL THANK YOU

Ron Huser

There are almost too many people to mention who have helped with Glenwood Hall & cemetery maintenance, landscaping and grounds clean up but they deserve recognition. I always knew this was the attitude of most of our neighbors here in Perry Park. We all should be proud to be part of a community made up of such generous people: Jerry Hardcorn, Greg Thomes, Woody Woodall, Greg Perkins, Lozier Family, Thompson Family, Pete Martin, Sonny Yeager, Bob Heuser, Denny Dramis, Wayne Williams, Bob Krietemeyer, Joe Frohn, John Hill, Jim Baird, & Larry Witt. Sorry if anyone was missed. Many other people have called indicating their desire to help.

Upcoming projects will include clean up of the burn site / old boat storage area, old bath house area and Big Bass Lake shore line behind Glenwood Hall as well as trenching electricity to our Serenity Garden, and Paul's fountain and trenching from our hall gutters to the lake. Again thank you very much!

EXERCISE

Perry Park Ladies

Every Tuesday and Thursday at 10:00 am we exercise at Glenwood Hall. Please come and join us. Where else can you go exercise and laugh for a \$1.00. A big hand for Judy Mitchell she has now made 2 and a half miles, she is now working on 3 miles. "YEAH" Judy. We are proud of all our exercise ladies. Some days it seems harder than others. Keep up the good work. Everyone is making progress.
